

# La Leche League Canada

*Because breastfeeding isn't always easy, we're here to help*

Thank you!

You probably know our story already since you just made a donation to LLLC. I just wanted to take the opportunity to thank you for your support of the organization that has been such a big part of our lives. Ava and I had some difficulties in the early days and the help that La Leche League Canada gave to us made all the difference. Your financial support means that more moms and babies like us will be able to have a good beginning to their breastfeeding relationship because La Leche League Canada will be there when they reach out for help.

We haven't met but you have touched my life and the lives of my family.

From Ava and Ashleigh, a big virtual hug and thank you, again!
