

COMMUNICATION SKILLS TO EMPOWER BREASTFEEDING, CHESTFEEDING, AND HUMAN MILK FEEDING FAMILIES

This course will be offered on an ongoing basis throughout 2021 and 2022

Are you interested in learning how to empower the people you support? Are you looking for practical and adaptable ways to communicate with others?

La Leche League Canada's Communication Skills to Empower Breastfeeding, Chestfeeding, and Human Milk Feeding Families course is offered online. This interactive course will give IBCLCs, health providers, community workers, and peer supporters an opportunity to learn about and practise effective, empathetic, and empowering communication skills.
