

LLLC Updated In-person Gathering Information

Any interaction with the general public poses an elevated risk of being exposed to COVID-19 or other respiratory illnesses. LLLC cannot guarantee that you or your children will not be exposed to these viruses. You are welcome to wear a mask for added protection. If you do not feel comfortable attending in-person, please join one of the LLLC [online](#) meetings or use the ["Ask a Leader"](#) function on our website.

To minimize the risk to others, we ask that you stay home if you or your child is ill.

Many people at our meetings, including babies and toddlers, belong to vulnerable populations. Therefore, we draw your attention to these [Public Health Measures](#). LLLC is committed to following local and provincial (or territorial) guidelines for gatherings. Leaders also abide by the guidelines of the meeting location.

To respect the privacy of all people in attendance, we will not discuss vaccination status.
